## Smart Mirror (Aluminum Alloy Frame)

**Aluminum-framed mirror** brings a new visually appealing element to the framed mirror industry. on the basis of the original mirror, We had added aluminum alloy frame, This makes the mirror more robust, more light, strong, not afraid of corrosion and wear. In addition ensuring the user infinite experience, added a layer of security, We have silver and golden aluminum alloy mirror, we can choose the frame color according to your wall's color, Add more aesthetic elements to your bathroom decoration.

Available in black, gold

**SHANDONG HIXEN INTELLIGENT MANUFACTURING CO., LTD**

**Smart Mirror  
(Hanging Mirror)**

## Smart Mirror (Hanging Mirror)

**Hanging mirror**,The original intention of the design is to save more indoor space and make the style more simple,When we add nylon rope , Add a touch of Nordic style to the mirror oddly,By carefully selecting the right LED technology and combining it with elegant design.Which make your bathroom place more spacious and bright,You can put the black decorative mirror in the bathroom, living room, bedroom, porch, office or anywhere you want.

Suitable for various styles of home decoration.
